**Re: Telecommunications Relay Services and Speech-to-Speech Services for
Individuals with Hearing and Speech Disabilities, CC Docket No. 98-67**

Dear Ms Salas:

On March 8, 2002, Larry Fenster, Kim Wobschall, Hadi Alsegaf, Bill McClelland from WorldCom, and Ruth Milkman from Lawler, Metzger and Milkman met with K. Dane Snowden, Chief, Consumer Information Bureau. We demonstrated the features and capabilities of WorldCom's IP-Relay service, and discussed the benefits the service would bring to persons with speech and hearing disabilities.

If you have any questions please don't hesitate to contact me.

Sincerely,

Larry Fenster
